(21-23)

Below is how four students answered their teacher's question in class.

Lily: I like shopping and talking to people. I think I can learn how to do business. Maybe selling clothes is a good business for me.

Ryan: My hobbies are playing computer games and making friends online. We often share our funny stories by e-mail. I guess I will learn more about computers and make super-smart computer programs.

Bill: My parents have kept lots of pets since I was little. We've experienced many things together, good and bad, happy and sad. Those stories have always stayed in my mind. One day, I will share them with people by drawing and writing books.

Anna: Though my mom and two sisters are all doctors, I'm sure I will stay as far away from a hospital as I can. I hate being sick, and I'm afraid of seeing sick people looking weak and sad. I'll keep strong by playing my favorite sport, tennis, every day. One day I'll join the national team and be another Lu Yen-Hsun.

- (A) 21. What question did the teacher most likely ask in class?
- (A) "What do you want to do in the future?"

(At Liz's birthday party)

Amber: Don't tell me you didn't go to Garden House.

Keith: Why would I go there?

Amber: For Liz's birthday cake! I left you a voice message this morning!

Keith: But you said Matt would go to the bakery! And why did you come here without me? I was waiting outside your apartment for an hour!

Amber: No! I said I'd have lunch with Matt, and we'd come straight here from the restaurant. So I asked you to help get the cake after work.

Keith: No, you did not! And why didn't you answer my calls?

Amber: My cellphone is dead! I said in the message that you could call Matt's number if you wanted to find me. Now please tell me you did bring the gift we got for Liz.

Keith: What gift? I'm sure you didn't say anything about a gift in the message.

Amber: I told you that yesterday!
